All parents/swimmers welcome to attend

The AGM is your chance to find out what is going on with the club, to ask the committee questions, to make suggestions, to offer help and to join the committee.

The Littlehampton Management Committee runs this swimming club on a voluntary basis. The Committee is composed of a small, dedicated group of parents. We carry out tasks such as running the help desk, processing payments, organising galas, processing Swim England and club membership renewals, organising social events, pool booking, etc.

This club cannot function without the support of its committee and volunteers.

The committee is keen to recruit new members to help run the club. Do you have any time to help? If you are interested and would like help in any way, please talk to any member of the Committee.

Nominations to stand on the committee should be handed in at the Help Desk in an envelope marked FAO Emma Howell by **Friday 12th July 2019**. Nomination forms available at the Help Desk.
